ABOUT US

Eagle Eye Interior design llc was formed in 2014 with diversified interest in Turnkey Interior Fit out and Hospitality.

For turn-key projects, we have become a stalwart of the interior design industry with a strict focus on the highest of qualities no matter the demands of our clients.

We have satisfied clients with widely variable projects and requirements and received accolades for our service in developing hotels, malls, restaurants, bars/lounges, retail outlets, offices, villas, kiosks, exhibition stalls and Residential Apartments.

No matter how big we become, we treat all projects, from the smallest to the most ambitious, with the same level of diligence and excitement. With over 80 employees, 24 workstations, state-of-the-art joinery machines and dry and wet paint booths.

Eagle eye is equipped unlike most of its competitors to handle nearly all the challenges faced by most turn-key interior design companies.

With the highest of quality at affordable prices, we promise timely delivery, flawless installation and diligent after-sale service. We are here to continually support your patronage. We hope to develop a new and lasting relationship with you.
